

Hope Against Hate Campaign: Immediate Safety for Asian New Yorkers

May 6, 2021

Asian American Federation

Asian American Federation Intro

- Umbrella organization representing 70 community-based organizations serving 1.3 million Asian Americans
- Leadership voice advocating for better policies, services, and funding for Asian immigrants
- AAF's response to anti-Asian violence since 2020

Expanding Needs of Asian New Yorkers

- Asians comprise **10%+** of residents in majority of City Council Districts
- Asian population grew **10%-80%** across most Council Districts
- **Almost 50%** of city's Asian population is **limited English proficient**, which prevents Asians from accessing critical services they need

Asian populations in **36** NYC Council Districts **grew significantly** in the last decade.

It's time we received our **fair share** of funding and services.

5 "D'S" OF BEING AN UPSTANDER
What to do when you see someone being harassed

DIRECT
Respond directly to the person causing harm or physically intervene if necessary
Be confident, assertive, & calm

DELEGATE
Get help from someone else
Ask for assistance, a resource, or help from a third party

DISTRACT
Excuse me
Do you know what the next step is?
Bring attention away from the person causing harm, the person who was harmed, or the situation itself

DELAY
Check in with the person who was harmed after the incident
And educate ourselves & our communities on why this happened

DOCUMENT
If someone is already helping the person in crisis,
document through photo or video*

*Never post or share a video without the consent of the person being harmed

Campaign Impact

If successful, Hope Against Hate will result in:

- **Fewer bias incidents in NYC** due to use of our safety strategies
- **Strong, wrap-around support for victims** that are more accessible
- **Education and engagement of 60,000-100,000 people, institutions, and nonprofits** in concretely supporting Hope Against Hate
